PROFILE

I am a perfectionist and dedicated worker who always loves a challenge. I have a passion for art and design and I find digital design very intriguing and a pleasure to create various designs. Reasoning for this career choice is because I have a keen eye for art, being extremely artistic and having a creative mindset.

I work extremely well with others or as an individual, I have a good work ethic, and combined with my drive to achieve and succeed I get my work done on time.
